in the following manner:

Package 28B EPCC Contractor and Subcontractor cooperate with P28B Project Team in achieving the RFSU FOR Unit 5150 on 7 November 2019, allowing the project to transition from Commissioning towards ready for Start-up.

The P28B Team demonstrated high commitment and excellent teamwork, as seen in these efforts:

- Rigorously monitored the Commissioning progress of the day and traced work progress status as well as provide solution to area of concern.
- Strong collaboration and continuous engagement among PMT, CMI and subcontractors to ensure seamless completion execution, as well as to agree on system completion priority.
- Proactively seek the intervention of higher management on critical and difficult issues.
- Implemented War Room sessions to resolve issues promptly and effectively.
- Cohesive, consistent drive and initiative via establishment of integrated team to proactive enforce strict compliance at site.

By doing this, you have positively impacted the following key result(s):

Effectively transition from Commissioning towards meeting Unit 5150 RFSU.
